

**Parent/Guardian Instructions:**

Use a separate form for each enrolled child. In the spaces below list the child's name, current age, the days and hours normally in care, and the meals normally received while in care. If the child is of school age report the hours in care both before and after school. Child and Adult Care Food Program (CACFP) regulations require that the enrollment form be updated annually and signed by the child's parent or guardian. **This form can be used for three years for the same child, to meet the annual updating requirements.**
